

HPC Pendant

HPC Pendant

These one-piece, high performance cylinders impart a seamless beauty to their environment.

Barbican's award-winning uber-high performance LED cylinders are built from a specially synthesized, proprietary material that yields 85% light transmission while offering excellent light diffusing properties.

HPC Pendant is fully washable, presenting a sanitary solution for healthcare and hospitality settings.

Diameter: 4", 6", 8" and 10"

Standard Heights: 12"-120"

(avail in 1ft increments)

Custom heights up to 240"

(continuous single lens possible)

Light options: static CCT, tunable white, RGB or RGBW

Mounting options: aircraft cable or stem mount

These fixtures provide all of the light required in a space, in a visually interesting and comfortable way.

With RGB capabilities, versatile mounting options, dimming and other sourcing options, these beautiful cylinders can create ambient lighting to meet any requirement for your next project.

Create an interesting, sculptural aesthetic utilizing various heights and diameters of the HPC Pendant.

Downlight options add further versatility to the HPC Pendant with four beam angles to help dial in that perfect balance.

EXAMPLE SPECIFICATIONS - HPC Pendant (See HPC Pendant Spec Sheets for full details)

10 day quick-ship (see following pages for quick-ship information, limitations and requirements)

10 day quick-ship (see following pages for quick-ship information, limitations and requirements)										OPTIONAL Downlight Lumens		
Fixture	Diameter		Height		Mounting		Delivered Lumens
